ELECTRICITY:

WASTE: DO NOT dump ANYTHING on event grounds. No grease, no coals, no ashes, no trash, no nothing pretty pretty please! We are a premier event venue hosting many types of events and need to retain the beautifulness of our facility, thank you for understanding! We will have designated dumping containers for waste and trash bins for everything else.

SAFETY: This is our primary concern; for you, for us, for our guests. We ask that you please remove any safety hazards prior to competing. Please ensure that you have a FUNCTIONAL fire extinguisher as the Fire Marshal is prone to inspecting here. Please alleviate any tripping hazards, secure tents/structures/gas containers, etc. Please pre-treat your area to protect from damage and grease if you are not cooking in an enclosed trailer.

BBQ SALES: You are welcome to sell your product to the public! Selling may continue until 4pm.

SET UP: C'mon in around 9am-ish on Friday, November 20th, 2015. We will have designated parking once you are finished setting up. Please do not take vehicles (of any kind) off the designated areas. We happen to love and enjoy our beautiful landscaping here and wish NOT to have to re-do any of it. We would sincerely appreciate your parking cooperation!

SECURITY: Will be provided at night and any other time you may need it.

TEAR DOWN: We just ask that you try your darndest to be off the property by 6pm so we can get ready for our next big event.

JUDGING: All contestants will be responsible for turning in their entries to the designated judging area.

MORE INFO: Hunter Valley Farm is a fully family owned and operated farm with two very unique event facilities. We host several hundred events here annually, however, this is our only contest. Unfortunately, due to livestock, we ask that you not bring any animals of any type on the property with the exception of service animals. We decided to host this amazing BAR-B-CURE event to benefit The Butterfly Fund in honor of Maddie Harrill and Emily Barger, both of whom passed away far too young of childhood cancer in 2008. We are trying our hardest to raise money to help prevent this awful disease. To learn more about our cause, please visit www.butterflyfund.org.

EVEN MORE INFO: Theft, injury, damage to person, property, etc., is not the fault of BAR-B-CURE, Hunter Valley Farm (or its subsidiaries), or The Butterfly Fund. This event will happen in any weather!
